- **Cancel Timesheet:** To stop it from getting paid entirely (status will change to “cancelled”)

The detailed view showing the daily calendar will appear. Time must be entered on each day worked for the entire 2-week pay period. The day of the week defaults to the start of the pay period, which is every other Saturday.

- Click on the date to begin entering a Start and End Time for hours worked. Scroll to the correct day of the week to begin entering time.
- On the top right of the screen, the status of the timesheet, as well as the submission deadline, will be visible.

To begin entering time, select an **Earn Code** from the drop-down menu.

- The **Earn Code** for daily worked time is **Regular**.
- Note that **Floating Holiday** can only be applied to YU-designated days that are listed on the YU Holiday Schedule. Any usage on an unauthorized day will be applied to Vacation time without notice.
- **University Approved Time** may be used only for HR-approved time (e.g., voting hours).
- Holidays are no longer automatically populated on the timesheets. Use the **Holiday** earn code and enter in-and-out time to come up with the proper hours for that day. (No need to enter break time.)
- An "Insufficient Balance" warning message may occur on some earn codes where there are no accruals in place. You may ignore these warnings. However, if the warning refers to either **Vacation** or **Sick** time, reach out to your supervisor for prior approval.

IMPORTANT: Click **Save** after each entry that is added, edited, or deleted.

After an **Earn code** has been selected, use the next set of drop-down boxes to select a **Start Time** and **End Time**.

Since there are no break schedules in place, lunch breaks would have to be recorded. Therefore, place an **End Time** prior to going on a lunch break. When returning from your break, use the **Add More Time** button to report additional Start and End times for the rest of the day.

Example: Below is an employee who works from 8 am-4:30 pm (with a one-hour break).

Earn Code: Regular Pay

Start Time: 08:00 AM

End Time: 12:00 PM

Time left for lunch break: 4.00 Hours

An Error message needs to be resolved **PRIOR** to submitting the timesheet for approval.

Check their Leave Balances on the top-right of your screen to ensure that they have enough time off to use.

Save changes, click **Preview** (bottom right of screen) and then add a **Comment** explaining your change/s.
