TITLE IV FEDERAL AUTHORIZATION FORM

Student Name: _____ YUID# _____

Prior Year Charges Authorization:

Federal Title IV financial aid funds are restricted to payment of current semester tuition, fees, room, and board. However, students may authorize the use of these funds for prior semester expenses. By signing this form, you authorize Yeshiva University Office of Student Accounts to use your Title IV financial aid funds in this manner.

In addition, by signing this form, you authorize Yeshiva University Office of Student Accounts to pay institutional non-educational charges. These charges may include fees for: parking tickets, lost ID, lost key, non-returned key, lab breakage, etc.

I authorize Yeshiva University Office of Student Accounts to use Title IV financial aid funds for prior year charges.

Credit Balance Authorization:

Once Federal Title IV financial aid funds are disbursed to your student account and applied to tuition, fees, housing, meal plan, and other institutional charges, a credit balance may exist. You may choose to leave this credit balance on your student account to pay for future charges.

I authorize Yeshiva University Office of Student Accounts to apply any credit balance that may result on my student account from application of Federal aid, loan funds, scholarships, or other payments, to be applied to future charges. I understand that I will not be given a refund for this amount, and that the credit will apply to future charges including those which arise from next semester's tuition and fees.

I understand that I may make a written request that this authorization be revoked at any time.
