

CURRICULUM VITAE

Name: Elizabeth K. Seng, Ph.D.

Address: 1165 Morris Park Ave
Bronx, NY 10461
646-592-4368
Elizabeth.Seng@yu.edu

Education

2005 Bachelor of Arts, Psychology, Kent State University, Kent OH
2009 Master of Science, Clinical Psychology, Health Psychology Track, Ohio University, Athens OH
2012 Doctor of Philosophy (PhD), Clinical Psychology, Health Psychology Track, Ohio University, Athens OH

Postgraduate Training

2011-2012 Clinical Psychology Intern, Psychology Service, VA Connecticut Healthcare System, West Haven, CT
2012-2013 Clinical Health Psychology Postdoctoral Resident, Psychology Service, VA Connecticut Healthcare System, West Haven, CT
2012-2013 Postdoctoral Fellow, Department of Psychiatry, Yale School of Medicine, New Haven, CT

Professional Employment and Hospital Appointments

2013-2019 Assistant Professor, Clinical Psychology Ph.D. (Health Emphasis) Program, Ferkauf Graduate School of Psychology, Yeshiva University, Bronx, NY
2014-2019 Research Assistant Professor, The Saul R. Korey Department of Neurology, Albert Einstein College of Medicine, Bronx, NY
2015-present Psychologist, Montefiore Headache Center, Montefiore Medical Center, Bronx, NY
2019-present Psychologist Investigator, Veterans Health Administration (VHA) Headache Centers of Excellence (HCoE) Research, Education, Evaluation, and Engagement Activities Center for Headache (RE3ACH) VA Connecticut Healthcare System, West Haven, CT
2019-2024 Associate Professor, Clinical Psychology Ph.D. (Health Emphasis) Program, Ferkauf Graduate School of Psychology, Yeshiva University, Bronx, NY
2019-2024 Research Associate Professor, The Saul R. Korey Department of Neurology, Albert Einstein College of Medicine, Bronx, NY
2024-present Professor, Clinical Psychology Ph.D. (Health Emphasis) Program, Ferkauf Graduate School of Psychology, Yeshiva University, Bronx, NY
2024-present Professor, The Saul R. Korey Department of Neurology, Albert Einstein College of Medicine, Bronx, NY

Awards & Honors

2003-2005 Kent State University Trustee Scholar

2005	Kent State University Distinguished Student Leader Award
2010	Ohio University Graduate Student Senate Travel Award
2011	SBM Pain SIG Student Research Award
2011	SBM Meritorious Student Abstract
2011	Ohio University 1 st Place in Electrical Engineering and Computer Science Session 3, Student Research and Creativity Activity Expo
2012	SBM Distinguished Student Award
2013	SBM Meritorious Abstract
2015	Division 38 Early Career Council Representative to the APA Division Leadership Conference
2018	ISBM Early Career Award
2019	AHS Early Career Award (Inaugural)
2021	ISBM Early Career Master Lecture (Inaugural)
2022	ANA Poster Award
2023	AHS Member's Choice Award
2023	AHS Seymour Solomon Award
2024	AHS Above & Beyond Award

Teaching

Courses

2010-2011	Ohio University, Psychology Department, Athens, OH <ul style="list-style-type: none"> • Research Methods • Abnormal Psychology • Psychology of Health and Illness
2012-2013	Yale School of Medicine, New Haven, CT <ul style="list-style-type: none"> • Motivational Interviewing
2012-2013	University of New Haven, Psychology Department, West Haven CT <ul style="list-style-type: none"> • Introduction to Psychology • Abnormal Psychology
2013-present	Ferkauf Graduate School of Psychology, Yeshiva University, Bronx, NY <ul style="list-style-type: none"> • Intellectual & Cognitive Assessment • Personality Theory and Assessment • Headache and Adherence I & II • Applied Statistics in Health • Social & Behavioral Dimensions of Health

Research Mentorship

Doctoral Dissertation Committee Chair

2016	Melody Willoughby, "Pain and medication adherence in people living with HIV"
2017	Amy Grinberg, "Examination of the psychometric properties of the Headache Specific Locus of Control Scale"

2017	Sarah Jo Mayson, "The effect of migraine self-monitoring on acceptance, mindfulness, and disability"
2017	Jaclyn Klepper, "Cogniphobia, effort, and neuropsychological performance in migraine"
2017	Alexandra Singer, "Meditation practice and stress: a secondary analysis of the Mindfulness-Based Cognitive Therapy for Migraine trial"
2017	Annalisa Sciallo, "Daily perceived stress and sleep duration in chronic migraine and episodic migraine"
2018	Zarine Patel, "Hidradenitis suppurativa: the association of pain & depression with quality of life"
2021	Amanda Parker, "Injustice, quality of life, and psychiatric symptoms in people with migraine"
2021	Lauren Rosenberg, "Mindfulness and migraine"
2021	Nicole Butler, "Mindfulness-Based Cognitive Therapy and self-efficacy in people with migraine"
2022	Maya Marzouk, "The family impact of pediatric migraine"
2023	Ivy Gosnell, "Adherence to mHealth for migraine: individual and app-based predictors"
2024	Shaina Shagalow, "Reconciling subjective and objective cognitive decline using the Biber Figure Learning Test"
2023	Laura Sebow, "Migraine ictal and interictal neuropsychological Ecological Momentary Assessment (MIINE)"
2024	Jessica Kruse, "Ecological momentary assessment of pain variability in community-dwelling older adults"
2024	Leah Sutton, "The role of headache in neuropsychological and psychological symptoms in mild traumatic brain injury"
2024	Annie Kate Reeder, "How does mindfulness transform suffering? A mixed-methods study of adults with migraine and depressive symptoms"
2025	Maria Palmeri, "Factors contributing to Performance Validity Test and Symptom Validity Test performance in a veteran TBI population"
2025	Nina Rose, "The therapeutic alliance in Mindfulness-Based Cognitive Therapy for migraine: Secondary analysis of a phase 2b randomized clinical trial"
2025	Alexandra Schwartz, "Migraine and smoking as risk factors for ischemic stroke."
Current	Rachel Best, "For whom is Mindfulness-Based Cognitive Therapy (MBCT) for comorbid migraine and depressive symptoms effective? Moderators of a Phase IIb randomized controlled trial of MBCT."
Current	Alexandra Ozmeral, "Eating behaviors in adults with episodic migraine: a prospective electronic diary study"
Current	Katie Santamaria, "Increasing migraine care provider self-efficacy in behavior change conversations through Motivational Interviewing training"
Current	Talia Korn, "Are primenstrual attacks different than non-menstrual migraine attacks?"

Doctoral Dissertation Committee Member

2014	Elyssa Scharaga, "The effect of pain when older adults walk and talk"
2016	Naomi Kane, "Perceptions of neighborhood disorder, diabetes distress, and health behaviors in an urban sample of adults with type 2 diabetes"

- 2016 Janna Belser-Erich, "Health related quality of life and cognitive functioning in older adults"
- 2017 Alyssa Singer, "Fitspiration, the new thinspiration? The impact of viewing fit-ideal media on female body dissatisfaction"
- 2017 Cynthia Cervoni, "Assessing social desirability in the bariatric surgery psychological evaluation"
- 2017 Lisa Glukhovsky, "An examination of long-term learning in multiple sclerosis using a cognitive-motor dual-task paradigm"
- 2017 Jessica Lawson, "Cross cultural validation of the Yale Food Addiction Scale 2.0 and evaluation of food addiction in Hispanic bariatric surgery-seeking patients"
- 2017 Gabriella Frackman, "Dispositional hope and diabetes self-management: exploring the roles of agency and pathways over time"
- 2017 Deborah Binko, "Cognitive functioning, comorbid depression, and medication adherence in adults with type 2 diabetes"
- 2017 Jessica Sloan, "Feasibility and acceptability of a four-week Mindfulness-Based Cognitive Therapy intervention for the treatment of pain catastrophizing in multiple sclerosis"
- 2017 Maria Loizos, "The longitudinal evaluation of a 30-day physical activity intervention program on impulsivity, weight loss, and subjective well-being"
- 2018 Chrissy Lee, "Medication adherence in adults with HIV who smoke: the mediating role of neurocognitive impairment"
- 2018 Elana Mendelowitz, "A randomized controlled trial of Mindfulness-Based Cognitive Therapy (MBCT) for the treatment of depression in multiple sclerosis: a pilot study"
- 2018 Krista Nelson, "Examining the relationships among child and caregiver asthma-related illness representations, medication adherence, and asthma control in Black and Latino children"
- 2018 Marnina Stimmel, "Feasibility of an intervention to address loss of employment for women with multiple sclerosis"
- 2021 Laura DeLuca, "A culturally sensitive approach to obesity for Spanish speakers in Latin America, Spain, and the United States using Noom: a behavioral lifestyle intervention"
- 2019 Michelle Ferrer, "Self-control, smoking behaviors, and perceived discrimination in a predominantly ethnic and racial minority sample of current adult cigarette smokers"
- 2019 Hannah Esan, "Medication adherence in adults with HIV: an examination of smoking status, depression, and anxiety"
- 2019 Sandra Rodgin, "The interplay between child anxiety symptoms, child asthma management self-efficacy, and asthma management in ethnic minority pediatric patients"
- 2019 Kate Segal, "The relationship between internalized HIV/AIDS stigma and cigarette smoking behaviors in people living with HIV/AIDS"
- 2020 Nicholas Vissicchio, "The impact of illness intrusiveness on the relationship between cognition and mood in multiple sclerosis"
- 2021 Malka Zughaft Sears, "Cognitive dysfunction, type 2 diabetes and co-morbid depression"
- 2022 David Estey, "The role of e-cigarette use in smoking cessation and e-cigarette dependence"

2022	Hannah Pakray, "The impact of perceived pain on neural efficiency during walking in older adults"
2022	Victoria Jonas, "The impact of ecological momentary assessment (EMA) in type 2 diabetes: examining study engagement, self-efficacy, self-management and emotional well-being"
2022	Carly Solon, "Daily self-reported sleep quality and medication adherence among adults with type 2 diabetes: an ecological momentary assessment approach"
2022	Silvana Agterberg, "Perceived ethnic discrimination and cigarette smoking cessation among a sample of people with HIV"
2022	Jenna Cohen, "Falls, mood, and driving safety in multiple sclerosis"
2022	Julia Cohen, "Validation of self-evaluation measures in a sample of adults living with HIV/AIDS in Kenya"
2022	Sarah Fishman, "Affective and symptom experience in type 2 diabetes: an evaluation of bidirectionality using EMA and qualitative data"
2023	Jayne Duncan, "Intuitive eating and dietary quality in women with disordered eating: longitudinal analyses of a pilot web-based intervention"
2023	Gabriella Silverstien, "The relationship between depressive symptoms, asthma-related beliefs, and asthma outcomes amongst older adults."
2024	Lindsey Pappalardo, "Personality as a predictor of self-management, affective experience, and glycemic control in adults with Type 1 diabetes"
2025	Jacob Levin, "Validating the Distress Tolerance Scale (DTS) and the Distress Tolerance Scale-Short Form (DTS-SF) with People with HIV/AIDS"
2025	Gunce Kaya-Ali, "Social cognition, mood, and cognition in multiple sclerosis: a cross-cultural study"
Current	Fayel Mustafiz, "Ecological momentary assessment of general stress, diabetes distress, and diabetes self-management among adults with Type 1 diabetes"

Doctoral Dissertation Reader

2013	Molly Tanenbaum, "Learning what works: illness coherence and self-monitoring of blood glucose in type 2 diabetes management"
2013	Thea Oculato, "Parental attachment styles and asthma outcomes in pediatric asthma"
2015	Lauren Puma, "fMRI in female binge eating disorder participants pre and post bariatric surgery"
2015	Helen Quinn, "Sexual dysfunction and gender conformity in a multiple sclerosis population"
2015	Haley Kutner, "Asthma specific panic fear – role of informant report on morbidity outcomes"
2015	Seth Margolis, "Relationships between personality, executive functions, perceived stigma, and epilepsy-related social wellbeing in socioeconomically disadvantaged and racially/ethnically diverse adults with medically refractory epilepsy"
2016	Jessica Hartman, "Dyspnea perception in pediatric asthma patients: the relationship between symptom perception and asthma morbidity, caregiver illness representation and caregiver nativity"
2018	Eliana Pasternak, "Exploring the relationship between cognitive reserve and fatigue in multiple sclerosis: a cross-sectional retrospective study"

Predoctoral (Master's) Research Project Primary Mentorship

2014	Sarah Jo Mayson, "Acceptance in migraine: relationships with disability and psychological factors"
2014	Jaclyn Klepper, "Cogniphobia associated with anxiety, depression, and disability in adults with migraine"
2015	Amy Grinberg, "Relationship between headache specific locus of control, anxiety, and migraine-related quality of life"
2015	Alex Singer, "Non-pharmacologic treatments for migraine: understanding migraine treatment utilization and control beliefs"
2016	Annalisa Scullo, "Psychosocial factors associated with pain in Multiple Sclerosis"
2017	Zarine Patel, "Psychiatric Symptoms and Migraine Disability in the Family Burden of Migraine"
2017	Emily Mauser, "The Family Burden of Migraine: An Observational Examination of the Adolescent Children of People with Migraine"
2018	Nicole Butler, "Anxiety, Depression, and Acute Migraine Medication Adherence"
2018	Lauren Rosenberg, "The Use of Mindfulness-Based Cognitive Therapy (MBCT) for Migraine to Reduce Depression Symptoms in Patients with Migraine"
2018	Maya Marzouk, "Parental Traits of Children at Risk for Migraine"
2019	Laura Sebow, "Neuropsychological Performance, Depression, and Disability in Migraine"
2019	Leah Sutton, "Age of Onset and Migraine"
2020	Jessica Kruse, "Ecological Momentary Assessment of Pain in Older Adults"
2020	Ivy Gosnell, "Decisions Regarding Acute Migraine Medication Adherence"
2022	Annie Kate Reeder, "The Five Facets of Mindfulness in Migraine: a cross-sectional study"
2022	Rachel Best, "Pain Acceptance as a Change Mechanism for Mindfulness-Based Cognitive Therapy for Migraine"
2022	Alexandra Schwartz, "Associations between physical activity and migraine symptoms"
2022	Alexandra Ozmeral, "Associations between dietary factors and migraine symptoms"
2024	Katie Santamaria, "The working alliance as a moderator of the effects of a mindfulness treatment for migraine"
2024	Toby Dresdner, "Measurement of adverse events in meditation-based therapies"
2024	Talia Korn, "A qualitative examination of the Fear-Avoidance Model in primary headache disorders"
2024	Megan Lacritz, "Aura and Cognition in Migraine"
2024	Mara Getz, "Racial disparities and cultural barriers to care for African American patients experiencing migraine"
Current	Rebecca Klapper, "Physical activity in people with migraine"
Current	Kensei Maeda, "Migraine as a risk factor for dementia onset in the Veterans Health Administration"

Doctorate in Occupational Therapy Co-Mentorship

- 2024 Ashley Mathew, "Changes in role checklist with cognitive behavioral therapy for migraine"

Medical Students, Residents and Fellows Mentorship/Co-Mentorship

- 2013 Mia Minen (Neurology), "Influence of family psychiatric and headache history on migraine-related health care utilization"
 2016 Julie Jiang (Neurology), "Perceived stress and risk of dementia"
 2021 Abigail Lofchie (Neurology), "Predictors of acute migraine medication adherence"

Undergraduate and Post-Baccalaureate Mentees

- 2015-present Alexandra D'Angelo, Claire Ashley, Dipana Jain, Talia Korn, Leeor Benshabat, Shirley Shayestehkhoy

Clinical Supervision

- 2008 Adult Intellectual Assessment Graduate Assistant, Psychology Department
 2010 Supervision Practicum, Psychology Department, Ohio University, Athens, OH
 Ohio University, Athens, OH
 2012-2013 Resident Supervisor, Psychology Service
 VA Connecticut Healthcare System, West Haven, CT
 2016-present Clinical Supervisor, Specialty Care Externship, Montefiore Medical Center, Bronx NY
 2015-present Clinical Supervisor, Ferkauf Headache & Adherence Lab, Bronx, NY

Continuing Education Workshops

- 2017 *American Psychological Association Annual Convention, Washington, DC*
 ▪ Psychological Treatments for Headache Disorders
Ohio Psychological Association Annual Meeting, Columbus, OH
 ▪ Behavioral Treatments for Migraine
 2022 *Society for Health Psychology, Online Meeting*
 ▪ Psychological Treatments for Headache Disorders,

Invited Lectures and Symposia

- 2009 *Ohio University College of Medicine, Athens, OH*
 ▪ Resident Seminar, "Patient Adherence"
 2010 *Ohio Headache Association Scientific Meeting, Columbus, OH*
 ▪ Invited Lecture, "Development of the Acute Medication Self-Efficacy Scale for Headache: Progress and Current Findings"
 2011 *SBM Scientific Meeting, Washington, DC*
 ▪ Workshop, "Applying to Psychology Internships in Behavioral Medicine"
VA Connecticut Healthcare System, West Haven, CT
 ▪ Clinical Health Psychology Seminar, "Development of the Acute Medication Self-Efficacy Scale for Headache"
 2012 *Southern Connecticut State University, New Haven, CT*

- Invited Course Lecture, "Health Psychology in the VA"
VA Connecticut Healthcare System, West Haven, CT
- Primary Care Clinician Education, "Behavioral Approaches to Headache Treatment in Primary Care"
- Research Colloquium, "Psychiatric Comorbidity Does Not Portend Poorer Treatment Outcomes"
- Interpersonal Violence Prevention Training for VA CT Providers, "You can help prevent domestic violence!"
- Ambulatory Block Intern Training, "Motivation Enhancement in Primary Care for Medical Interns"
- PRIME Research Center Education Seminar, "Psychosocial Factors in the Treatment of Headache"

2013

VA Connecticut Healthcare System, West Haven, CT

- Clinical Health Psychology Seminar, "Parkinson's Disease: Anxiety, Control, and Social Ramifications"
- Clinical Health Psychology Seminar, "Where Health Happens: Helping Patients Improve Health Behaviors after Leaving Clinic"
- PRIME Research Center Education Seminar, "Headaches in OEF/OIF Veterans"
- Clinical Health Psychology Seminar, "It's all in my head! The influence of central sensitization in chronic conditions and the role of health psychology"

2014

American Psychological Association Convention, Washington, DC

- Symposium Speaker, "The Publication Collage: Mentoring in Academic Writing"

24th Annual Headache Symposium, Headache Cooperative of New England, Stowe, VT

- Invited Lecture, "Ken Holroyd: His Life in Headache"

International Headache Academy

- Discussant, "Canadian Migraine Prevention Guidelines"

13th Annual Headache Cooperative of New England Boston Headache Symposium, Boston, MA

- Invited Lecture, "Cognitive Behavior Therapy – Insomnia"

Yeshiva University, Bronx, NY

- Ferkauf Friends and Family Event, "Treating Migraine? Such a Headache!"

Albert Einstein, Department of Family and Social Medicine, Bronx, NY

- Research Division Meeting, "Cognitive Behavioral Therapy for Sleep"

Montefiore Headache Center, Bronx, NY

- Invited Lecture, "Acceptance, Avoidance and Adherence in Migraine"

2015

Yeshiva University, Bronx, NY

- Ferkauf Friends and Family Event, "Research on Headaches"

Montefiore Headache Center, Bronx, NY

- Fellows Colloquium Speaker, "Medication Adherence when the Patient is in the Driver's Seat"

American Psychological Association Convention, Toronto, ON

- Symposium Speaker, "Developing Mobile Health Applications: A Team-Based Approach"

NIH OBSSR Summer Institute on Randomized Clinical Trials, Warrenton, VA

- Invited Fellow Speaker, “Mediators and Mechanisms of Change in Behavioral Clinical Trial Research”

International Headache Academy, Washington, DC

- Speaker, “Bronx Mindfulness-Based Cognitive Therapy for Migraine”

Hofstra University Psychology Department, Hempstead, NY

- Colloquium Speaker, “Behavioral Aspects of Migraine Treatments”

2016

Deakin University, Melbourne, VIC, Australia

- School of Psychology Colloquia Series, “Adherence to Migraine Treatment”

Albert Einstein College of Medicine

- Neurology Housestaff Lecturer, “Medication Adherence: Supporting Patients to be Their Own Providers”

American Headache Society, San Diego, CA

- Symposium Speaker, “Migraine and Cognitive Impairment: Risk Factors and Clinical Management”

- Platform Speaker, “Bronx Mindfulness-Based Cognitive Therapy for Migraine Update”

American Academy of Neurology, Vancouver, BC

- Symposium Speaker, “Psychiatric Comorbidity in Migraine: Screening Tools and Non-Pharmacologic Treatment Options”

Hunter College, New York, NY

- Health Psychology and Clinical Science Colloquium, “Behavioral Treatment of Migraine”

Yale School of Medicine/VA Connecticut Healthcare System, West Haven, CT

- PRIME Research Center Seminar, “Cogniphobia: The Cycle of Anxiety and Avoidance in Headache”

Albert Einstein, Department of Family and Social Medicine, Bronx, NY

- Research Division Meeting, “Assessment of clinical and psychosocial aspects of pain”

2017

American Academy of Neurology, Boston, MA

- Symposium Speaker, “Psychiatric Comorbidity in Migraine: Screening Tools and Non-Pharmacologic Treatment Options”

American Psychological Association Annual Convention, Washington, DC

- Discussant, “Why Does it Hurt? Understanding Somatic Pain and the Role of Psychology in Treating it”

- Chair, “Early Career Transitions in Health Psychology Panel Discussion”

- Panelist, “Critical Strategies for Successfully Obtaining Grant Funding at Every Career Stage”

VA Connecticut Healthcare System, West Haven, CT

- Clinical Health Psychology Colloquium Series, “Assessment and Treatment of Headaches”

2018

Montefiore Medical Center, Orthopedic Surgery, Bronx, NY

- Grand Rounds, “Psychosocial Factors to Manage Pain and Promote Recovery”

Albert Einstein College of Medicine, Montefiore Headache Center, Bronx, NY

- Colloquium Series Lecturer, “Adherence to Headache Treatments”
American Headache Society Annual Scientific Meeting, San Francisco, CA
- Behavioral Section Pre-Course Speaker, “Mindfulness for Migraine: Recent Clinical Trial Evidence”

2019

Montefiore Medical Center, Spine Center, Bronx, NY

- Grand Rounds, “How Behavior Impacts Pain Perception and Recovery”
Elmhurst Hospital/Mount Sinai, Psychology, Queens, NY
- Internship Training, “Brief Protocols for Integrated Health Psychology”
Montefiore Medical Center, Montefiore Headache Center, Bronx NY
- Fellows Lecture, “Medication Adherence in Migraine”
American Headache Society Annual Scientific Meeting, Philadelphia, PA
- Methods Section Pre-Course Speaker, “Fundamental Statistical Concepts for Better Understanding and Conducting Headache Research.”
- Patient Leader Training, “Suicide Recognition Among Migraine Patients”
- Early Career Award Lecture, “Does Mindfulness-Based Cognitive Therapy for Migraine Reduce Migraine-Related Disability in People with Episodic and Chronic Migraine?”
Ferkauf Graduate School of Psychology, Bronx, NY
- Faculty Symposium, “Does Mindfulness-Based Cognitive Therapy for Migraine Reduce Migraine-Related Disability in People with Episodic and Chronic Migraine?”
American Psychological Association, Chicago, IL
- Symposium, “Dismantling Disparities – Overcoming Inequality through Health Psychology Research and Practice.”
- Symposium, “Making Connections – How to Thrive when Professionally Isolated in Interdisciplinary Health Systems.”

2020

Elmhurst Hospital/Mount Sinai, Psychology, Queens, NY

- Internship Training, “Brief Protocols for Integrated Health Psychology”
Montefiore Medical Center, Montefiore Headache Center, Bronx NY
- Fellows Lecture, “Headache Adherence”

2021

Yale School of Medicine, Neurology, New Haven CT

- Division Meeting, “Innovations in Behavioral Medicine: How to Optimize your Patient’s Behavior to Improve Migraine Management”
- Center for Neuroepidemiology & Clinical Neurological Research (CNE2) Research Seminar, “The Promise and Perils of Using Mobile Health Apps to Gain Scientific Knowledge about Migraine”
International Congress of Behavioral Medicine, Glasgow, Scotland, UK
- Master Lecture, “Not All Pain: How Type and Time Course of Pain can Influence Patient Experience and Behavioral Management Approaches”
Elmhurst Hospital/Mount Sinai, Psychology, Queens, NY
- Internship Training, “Brief Protocols for Integrated Health Psychology”

2022

Annual Headache Symposium, Headache Cooperative of New England, Stowe, VT

- Invited Lecture, “Fear and Avoidance Model in Headache”
Elmhurst Hospital/Mount Sinai, Psychology, Queens, NY
- Internship Training, “Brief Protocols for Integrated Health Psychology”

- American Neurological Association, Chicago, IL*
- AHS/ANA Section Talk, "Migraine in Men"
- American Headache Society, Scottsdale, AZ*
- Invited Lecture, "What's New in Integrative Treatments?"
 - Invited Lecture, "Managing Headache in Patients with Chronic Pain"
- 2023 *Albert Einstein College of Medicine, Bronx, NY*
- SEEDS of Collaboration Talk, "Mindfulness Treatment for Migraine"
- American Headache Society Annual Scientific Meeting, Austin, TX*
- Seymour Solomon Award Lecture, "All Migraine Management is Behavior"
 - Research Career Development Program, "Identifying a Research Question and Appropriate Design"
- University of California-Irvine, Irvine, CA*
- Neurology Grand Rounds, "Behavioral Treatment of Migraine"
- 2024 *The Reeds Center, Manhattan, NY*
- "Psychological Treatment of Headache Disorders"
- American Headache Society Annual Scientific Meeting, Austin, TX*
- Plenary, "The Cognitive Symptoms of Migraine"
 - Research Career Development Program, "Running my lab is like a small business; How do I wear all of these hats?"
- Albert Einstein College of Medicine, Bronx, NY*
- Neurology Grand Rounds, "Psychological Treatment of Headache Disorders"
- Mount Sinai Hospital, New York, NY*
- Psychology Internship Talk, "Psychological Treatment of Headache Disorders"

Public and Patient Education

- 2008 Invited Lecture, "Mental Health in Adolescents," Young Life, Athens, OH
- 2013-2018 Author, American Migraine Foundation (and formerly American Council for Headache Education) patient resources
- 2014-2015 Mentor, High School Intel Science Talent Search, Queens, NY
- 2016 Invited Lecture, "Reducing Headache Disorder Burden: Caring for the Whole Person," American Headache and Migraine Association, San Diego, CA
- 2017 Invited Lecture, "Coping with Depression and Anxiety with Headache Disorders," American Headache and Migraine Association, Boston, MA
- 2019 Podcast, "Cognitive Therapies and Migraine," Heads Up, National Headache Foundation, Online
- 2019 Podcast, "Biofeedback and Migraine," Heads Up, National Headache Foundation, Online
- 2019 Podcast, "Mindfulness and Migraine," Heads Up, National Headache Foundation, Online
- 2022 Invited Lecture, "Depression and migraine: a researcher's perspective," Association of Migraine Disorders, Online
- 2023 Podcast, "The Role of Lifestyle Factors in Migraine and How to Implement Behavioral Change," Migraine Science Collaborative, Online

2023	Invited Lecture, "Addressing Burnout," Alliance for Headache Disorders Advocacy, Online
2024	Migraine World Summit, "Physical Activity and Migraine"
2024-present	Umbrella Supervisor, Miles for Migraine support groups
2025	Migraine World Summit, "Cognitive Impairment with Migraine and Headache Disorders"

Service

University Service

2007-2009	Departmental Representative for Psychology, Graduate Student Senate, Ohio University
2012-2013	Mentor, Women in Science at Yale, Yale University
2015-2016	Member, YU Faculty Committee on International Engagement, Yeshiva University
2017-2021	Member, Library Committee, Yeshiva University
2018-2021	Member, Research Advisory Council, Yeshiva University
2022-2023	Member, Strategic Planning Subcommittee on Academic Excellence, Yeshiva University

School Service

2013-present	Director, Research Methods Minor, Ferkauf Graduate School of Psychology, Yeshiva University
2020	AHRQ LHS Research K12 Study Section Reviewer, Albert Einstein College of Medicine/Montefiore Medical Center
2021-2023	Member, Speakers & Workshops Subcommittee, Diversity & Social Justice Student-Faculty Coalition, Ferkauf Graduate School of Psychology, Yeshiva University
2021-present	Chair, Speakers and Special Events Committee, Ferkauf Graduate School of Psychology, Yeshiva University
2021-present	Member, Professional Development Committee, Ferkauf Graduate School of Psychology, Yeshiva University

Program Service

2008-2009	Student Representative to the Clinical Section, Psychology Department, Ohio University
2010-2011	Clinical Comprehensive Exam Representative, Psychology Department Ohio University
2013-present	Director, Assessment Sequence, Clinical Psychology Health Emphasis Program, Ferkauf Graduate School of Psychology, Yeshiva University
2013-present	Chair, Student Life Committee, Clinical Psychology Health Emphasis Program, Ferkauf Graduate School of Psychology, Yeshiva University

Professional Organization Boards and Committees

2007-2009	Chair for Communication and Membership, OPAGS
2010-2011	Conference Activities Coordinator, Student SIG, SBM
2012-2014	Secretary, Early Career Network, ISBM
2013-2015	Member, Membership Committee, SfHP/APA Division 38
2013-2016 & 2019-2022	Member, Health Research Council, SfHP/APA Division 38

2013-2016	Member, Early Career Professionals Council, SfHP/APA Division 38
2013-2017	Member, Electronic Media Committee, AHS
2014-2018	Chair, Early Career Committee, ISBM (Board Member)
2016-2017	Member, Presidential Task Force to Broaden the Visibility and Impact of Behavioral Sciences on Healthcare and Health Policy, SfHP/APA Division 38
2016-2019	Chair, Early Career Professionals Council, SfHP/APA Division 38 (Board Member)
2016-2020	Chair, Behavioral Section, AHS
2018-2023	Chair, Organizational Liaison Committee, ISBM (Board Member)
2020-2023	Pain Ambassador, SBM
2018-2024	Member, Practice Management Committee, AHS
2018-2024	Member, Scientific Programming Committee, AHS
2021-2024	Member, Committee on Professional Practice & Standards, APA
2022-present	Chair, Methodology, Design, and Statistical Issues Section, AHS
2022-present	Member-at-Large, SfHP (Board Member)
2024-present	Member, Research Advisory Council, Association of Migraine Disorders
2024-present	Member, Research Committee, AHS

Guideline and Consensus Statement Development

2016-2017	Member, National Institute of Neurological Diseases and Stroke (NINDS) Headache Common Data Elements Working Group
2017-2019	Member (APA Representative), American Academy of Neurology (AAN)/AHS Headache Quality Measure Workgroup
2022-2024	AHS Representative for the AHRQ/PCORI Behavioral Interventions for Migraine Review Committee and Co-Chair of the Clinical Practice Guideline Committee
2022-2024	Member, Quality of Life Working Group, AHS Headache Research Priorities Working Group
2021-2025	Member, APA Health Care Delivery Systems Practice Guideline Workgroup
2019-present	Co-chair, AHS Comprehensive Headache Center Consensus Workgroup
2022-present	Co-chair, AHS Behavioral Randomized Clinical Trial Guideline Workgroup

Journal Service

Peer Reviewer	<i>BMJ, Neurology, Cephalalgia, European Journal of Pain, The Journal of Headache and Pain, The Clinical Journal of Pain, The Journal of Pain, Headache: The Journal of Head and Face Pain, Journal of Behavioral Medicine, Journal of Alzheimer's Disease, Acta Neurologica Belgica, Journal of Behavioral Medicine, Pain Medicine, Health Psychology, Annals of Behavioral Medicine</i>
2015	Guest Editor for <i>Headache: The Journal of Head and Face Pain</i>
2020-present	Editorial Board, <i>Annals of Behavioral Medicine</i>
2023-present	Consulting Editor, <i>Health Psychology</i>

Other Professional Service

2016-present	Site Visitor, APA Commission on Accreditation
2018	Ad-Hoc Study Section Reviewer, NIH/NCCIH, Mechanisms of Mind and Body Interventions
2019	Ad-Hoc Study Section Reviewer, NIH/NINDS, NSD-K Section

2022-2024	Ad-Hoc Study Section Reviewer, NIH/NINDS ZNS1 SRB G(65) Section
2023	Ad-Hoc Study Section Reviewer, NIH/NCCIH, Natural Product Early/Mid Phase Clinical Trials
2023	Ad-Hoc Study Section Reviewer, NIH/NCCIH, Exploratory Clinical Trials of Mind and Body Interventions
2024	Veterans Health Administration (VHA) Cooperative Studies Program (CSP) Network of Dedicated Enrollment Sites (NODES) Renewal Study Section
2024	Ad-Hoc Study Section Reviewer, NIH/NCCIH ZAT1 MQ Section

Professional Licensure and Credentialing

2013-present	New York State, Psychology, License # 020322
2015-present	National Register of Health Service Psychologists, ID # 54645
2022-present	Connecticut, Psychology, License # 004179
2023-present	Authority to Practice Interjurisdictional Telepsychology (APIT) #14515

Professional Society Membership

American Psychological Association (APA; Fellow Status)
 American Headache Society (AHS; Fellow Status)
 Society of Behavioral Medicine (SBM; Fellow Status)
 Society for Health Psychology (SfHP; APA Division 38; Fellow Status)
 US Association for the Study of Pain (USASP)
 American Neurological Association (ANA)
 International Behavioural Trials Network (IBTN)
 Headache Cooperative of New England (HCNE)
 American Heart Association (AHA)

Research

Grant Support

Migraine as a Risk Factor for Cardiovascular Events in the Veterans Health Administration (AHA 23MRFSCD1077180)

Role: PI

Grant Agency: American Heart Association

Project Period: 7/1/2023-6/30/2025; Amount Awarded: \$299,838

RELAXaHEAD: A Behavioral Approach to Remote Migraine Management in Primary Care (NCCIH 1R01 AT011875)

Role: Co-Investigator; PI: Mia Minen, M.D.

Grant Agency: National Center for Complementary and Integrative Health

Project Period: 9/23/22-8/31/27; Amount Awarded: \$4,438,455

Online TEAM Migraine: Online Techniques and Education Aimed to Manage Migraine (NCCIH 1R01 AT011502)

Role: Co-Investigator; PI: Rebecca Wells, MD

Grant Agency: National Center for Complementary and Integrative Health

Project Period: 07/07/2022 – 06/30/2027; Amount awarded: \$3,258,587

Genome-Wide Association Study of Headache in Military Veterans with a History of Traumatic Brain Injury

Role: Co-Investigator; PI: Michelle Androulakis, M.D.

Grant Agency: Department of Veterans Affairs Million Veterans Project

Project Period: 1/1/2022-12/31/2022; Amount Awarded: \$50,000

Feasibility and Acceptability of Telephone-delivered MBCT for Migraine and Depression (FATE-MD) (NCCIH R01 AT011005-01A1)

Role: mPI; mPI: Amanda Shallcross, NP

Grant Agency: National Center for Complementary and Integrative Health

Project period: 6/1/2021-5/30/2025; Amount Awarded: \$2,985,410

i-CHART: Interactive CBT for Headache And Relaxation Training

Role: Co-Investigator; PI: Amy S. Grinberg, Ph.D.

Grant Agency: Veterans Health Administration Headache Centers of Excellence

Project Period: 1/1/2021-12/31/2022; Amount Awarded: \$150,000

TENACITY: TeleMedicine-based Cognitive Therapy for Migraine

Role: Co-Investigator; PI: Teresa M. Damush, Ph.D.

Grant Agency: Veterans Health Administration Health Services Research & Development

Project Period: 6/1/2020-5/31/2022; Amount Awarded: \$300,000

Pragmatic Implementation Trial of a Cystic Fibrosis Primary Palliative Care Intervention

Role: Statistical Consultant; Co-PIs: Anna Georgiopoulos, M.D. and Lara Dhingra, Ph.D.

Grant Agency: Cystic Fibrosis Foundation Therapeutics, Inc.

Project Period: 1/1/2021-12/31/2023; Amount Awarded: \$2,599,960

Pragmatic Implementation Trial of a Cystic Fibrosis Primary Palliative Care Intervention: Development Phase

Role: Statistical Consultant; Co-PIs: Anna Georgiopoulos, M.D. and Lara Dhingra, Ph.D.

Grant Agency: Cystic Fibrosis Foundation Therapeutics, Inc.

Project Period: 1/1/2020-3/31/2020; Amount Awarded: \$411,398

Telehealth Behavioral Migraine Management (Seed Fund; CTSA UL1TR002556-03)

Role: PI for Seed Grant; co-PIs for CSTA Grant: Harry Shamoon, M.D. and Marla J Keller, M.D.

Grant Agency: National Center for Advancing Translational Sciences

Project period: 10/8/2019-2/28/2020; Amount Awarded: \$12,000

A Randomized Sham-Controlled Study of Home-Delivered Non-Invasive Neurostimulation for Migraine

Role: Statistical Consultant; PI: Helena Knotkova, Ph.D., Phil.D.

Grant Agency: Price Farberman Family Foundation

Project Period: 3/1/2019-3/1/2020; Amount Awarded: \$122,103

A pilot randomized clinical trial of Mindfulness-Based Cognitive Therapy for the treatment of chronic pain in MS

Role: Co-Investigator; PI: Frederick Foley, Ph.D.

Grant Agency: Foundation of the Consortium of Multiple Sclerosis Centers

Project Period: 1/1/2016-12/31/2017; Amount Awarded: \$40,000

Mindfulness-Based Cognitive Therapy for Migraine

Role: PI

Grant Agency: Yeshiva University Hollander Seed Fund for Faculty Research

Project period: 9/1/2016-8/31/2017; Amount Awarded: \$3,000

Clinical Decision Support for Patient Migraine Management (K23 NS096107)

Role: PI

Grant Agency: National Institute of Neurological Disorders and Stroke

Project period: 4/1/2016-3/31/2021; Amount Awarded: \$959,478

Mindfulness-Based Cognitive Therapy for Migraine

Role: PI

Grant Agency: International Headache Academy

Project period: 8/15/2015-8/15/2016; Amount awarded: \$10,000

Assessing Adherence to Guidelines for the Acute Treatment of Pediatric Migraine

Role: Statistical Consultant; PI : Robert Nicholson

Grant Agency: Migraine Research Foundation

Project period: 1/2014-12/2014; Amount awarded: \$50,000

Development of the Acute Medication Self-Efficacy Scale for Headache

Role: PI

Grant Agency: Ohio Headache Association

Project period: 9/2010-9/2011; Amount awarded: \$4,100

Contracts

Headache Centers of Excellence

Role: Site PI; Deputy Director, Headache Centers of Excellence (HCoE) Research Education
Evaluation and Engagement Activities Center (R3EACH)

Agency: Veterans Health Administration

Type: Central Office Contract

Project Period: 7/1/2018-present; Amount Contracted: \$474,765

Competitive Research Trainings

2015	National Institute of Health Office of Behavioral and Social Science Research Summer Institute on Randomized Behavioral Clinical Trials (Warrenton, VA)
2015	International Headache Academy (Bethesda, MD)
2014	International Headache Academy (Phoenix, AZ)
