- M.S. in Accounting:
online.yu.edu/syms/accounting

The B.S./M.S. in Accounting puts students on the fast-track to a successful accounting career. Undergraduate accounting majors can complete up to four M.S. in Accounting courses (twelve credits) that will count towards both their bachelor's and master's degree, accelerating their path to the graduate degree and saving tuition along the way. After completing their bachelor's, students continue seamlessly on to complete the remaining 18 credits for the M.S. in Accounting credits.

ABOUT THE M.S. IN ACCOUNTING

The 30-credit M.S. in Accounting is an online asynchronous program and a New York State CPA Licensure Qualifying Registered Program. It facilitates a seamless progression for undergraduate accounting or business students to qualify for the Certified Public Accountant (CPA) exam and begin their professional practice.

In response to recruiters' demands, we offer multiple courses in Accounting Data Analytics to provide you with essential skills in a changing job market. Led by a faculty of accomplished and esteemed business leaders and intellectuals, we offer this unique opportunity from the nation's financial and business epicenter, New York City.

ABOUT THE SY SYMS SCHOOL OF BUSINESS

Established in 1987, Sy Syms School of Business is a small, selective graduate school that offers advanced training in various business disciplines. Our intensive graduate programs are designed to prepare students for leadership positions at prominent companies in a constantly evolving world. We offer an MBA, M.S. in Accounting and M.S. in Real Estate, all of which are structured to meet the needs of the working professional. Our graduates emerge with the technical skills, practical knowledge, and business connections to succeed and advance their careers.
