

Benjamin N. Cardozo School of Law Sy Syms School of Business

JD-MBA

Stand out in today's competitive landscape with a JD-MBA. This program, in partnership with YU's **Sy Syms School of Business** will only be open to current Cardozo students. Interested students can apply for the dual degree program and admission to Syms after their 1L year and at any time until the end of their 3L year.

➔ JD-MBA OVERVIEW

Professional success today requires more than just expertise in one field. It demands a diverse skill set, a comprehensive understanding of business dynamics, and legal acumen. Our comprehensive dual degree program will provide you with the knowledge, skills and legal expertise of a law degree plus the expertise in management, and marketing derived from an MBA. Equipped with this diverse skill set, our graduates emerge as versatile professionals with the legal and business leadership skills ready to succeed at the highest levels.

➔ PROGRAM REQUIREMENTS

Candidates for the joint degree program must apply to and be admitted by each school separately. Admission to one school does not guarantee admission to the other, although it may be a factor in strengthening the application.

Admission to the JD-MBA program will be open only to current Cardozo Students. Interested students can apply for the dual degree program and admission to Syms after their 1L year and at any time until the end of their 3L fall semester. Cardozo students must have a cumulative GPA of at least 3.1 to apply.

Students in their final semester or within three years of graduation, please contact Linda Driver at linda.driver@yu.edu for information on alternative pathways.

"The Sy Syms MBA offers rigorous analytical and value-based training for professionals who want to lead at the best organizations in New York and around the world."

➔ A MESSAGE FROM THE DEAN

"As their careers progress, lawyers are often called upon to lead, and business education is a real asset that propels a lawyer's career. An MBA also enhances a private-sector lawyer's ability to understand their clients' business needs, which enables them to offer better legal advice."

Melanie Leslie,
Dean of Benjamin N. Cardozo School of Law
