APPLICATION TO TAKE A COURSE ON THE PASS OR NO-CREDIT SYSTEM (A/P/N)

To encourage students to pursue their interests in courses they might not otherwise take, students may select courses to be graded Pass or No-credit subject to the following conditions.

1. A course may only be taken P/N if the student is above the freshman year and in good academic standing.
2. No more than one course each semester may be selected.
3. The form must be filed during the period specified in the Academic Calendar.
4. The course must be a YC/Syms course and not one transferred from any other school of the University.
5. The course must not be one used to fulfill any requirement for graduation except the restricted elective requirement.
6. The course must not be in the student's major or minor, nor listed in the catalog as a correlate required for the major. In the case of pre-health science majors, no biology or chemistry electives may be taken P/N.
7. P and N grades appear on the record but do not count in the GPA. A P grade earns credit, an N grade does not. These grades cannot be changed at a later date. Some graduate and professional schools may view an N as an F.
8. Students need not inform the faculty that they are taking courses on the P/N system.
9. Syms School of Business students may P/N a course in any area as long as requirements for that area have been fulfilled.
