As the time for us to work on the field placement process draws near, we need the following information from you. Please fill out the attached request form telling us about field placements you may provide for Wurzweiler students for 2018-2019.

- Please email or Fax the form to:
  - Frances Montas at fmontas@yu.edu, or FAX to 212 960-0821.

- First year students require a generic field assignment of individual, family, group work, and community social work experiences.
  They are placed during the early summer and throughout as they are admitted and screened by the Field Office.

- Second year students require an assignment in one of the following specializations:
  - Clinical practice with individuals and families
  - Clinical practice with groups
  - Community Social Work
  They may also be given a secondary assignment in another method.
  They will be placed beginning in early March through May.

*PLEASE NOTE: WURZWEILER HAS BEEN AWARDED ANOTHER HRSA GRANT for $1.92 million. Please let us know if your site can offer 2nd year placements with high risk adolescents.

- For Students Completing Placement at an Employment Site
  - Second year work-study placements need to be finalized by June.
  - First year work study placements finalized by July.
  - Contact the Field Office for assistance – Dr. Becker at jbecker@yu.edu.
