Current List of Services RIETS Offers Alumni

- The Morris and Gertrude Bienenfeld Department of Jewish Career Development and Placement works to help each RIETS alumnus find appropriate and meaningful work.
- Rabbanan.org is RIETS' free, password-protected site with resources for rabbis including ideas for drashas, Jewish thought on current events, stories, and more.
- The Wolf Chomer Lidrush program provides inspirational content from master darshanim for parsha and chagim and helps rabbis creatively develop sermons and shiurim.
- Exclusive access to the Real Life Rabbinics Podcast, hosted by RIETS staff and featuring musmachim on a variety of topics.
- The Rabbinic Loan Fund is available to all rabbinic alumni who suffer devastating emergencies, such as environmental or medical emergencies.
- Host shiurim on YUTorah Online, making them available to the broader community. Shiurim can also be embedded within your institution's website. YUTorah offers over 400,000 shiurim by our roshei yeshiva and other YU luminaries via webcast in audio, video, and text formats.
- Our annual Yarchei Kallah is a rabbinic development fellowship guided by Rabbi Jacob J. Schacter. The programming addresses content and skills development and an alumni program that convenes around major contemporary issues.
- Access to the campus and library, as well as access to the Bar Ilan Responsa Project and Otzar Hachochma by applying for library database access here.
- Recent pulpit alumni are given mentorship opportunities with experienced rabbanim and small cohorts as they transition into their new roles.
- Our Israel office offers guidance and support for alumni who are considering making or have made Aliyah.
