***Students need a total of two electives in order to graduate.**

The Block Hybrid Program is based on a class schedule involving face-to-face (F2F) and online coursework. The F2F component takes place for 3 1/2 weeks in July, and online classwork continues into the first 2 weeks of August. Continuing course work online is required during the Fall/Spring semesters.

The location of Field Work between September and May is where the student currently resides.
