¹ In order to be licensed as a CPA, a student must complete 33 accounting credits, 36 business credits and 150 total credits. The Sy Syms Master's program in Accounting, although not mandatory, is one way to satisfy all of the above requirements. The courses listed above in the MS Degree section are the offerings in our two semester Master's Program. Note that a student must also have one year of working experience in order to be licensed.

² These two courses count for 6 credits of the 30 credit MS Accounting program
