A Different Kind of Summer Camp

A DIFFERENT SIDE OF ISRAEL
Counterpoint Israel: YU student-run summer camps for at-risk Israeli teens

Be a part of Counterpoint Israel and staff two summer camps for disadvantaged Israeli teens in low-income communities.

FORGE meaningful connections that will change lives as you teach the teens English, run a variety of workshops including art, sports and drumming, as well as travel on tiyulim together.

SEE a different side of Israel as you spend four eye-opening weeks in communities in the south of Israel.

MAKE new friends and have a summer you will never forget.
