- **Communicate with parents**, when needed, to provide updates, share concerns, and ensure continuity of care.
- **Assist with staff training** on mental, emotional, and social health (MESH) topics to help them better support campers.

- **Keep documentation and observations** to monitor camper progress and inform interventions.
- **Be a role model** for empathy, inclusivity, and respect within the camp community.

What We're Looking For:

- Master's degree (or currently enrolled) in Social Work, Counseling, Psychology, or a related field.
- Experience working with children in a camp, school, or similar setting.
- Strong crisis intervention, problem-solving, and communication skills.
- Ability to remain calm, patient, and flexible in high-energy, ever-changing environments.
- Passion for creating a **positive, inclusive, and supportive camp culture!**
