Date: 12/01/21

Title: Child/Adolescent Care Specialist
   Full time, 35 hours/week with benefits

Program: Children’s Care Management

Responsibilities: Work with a caseload of approximately 20-25 children with Serious Emotional Disturbance and/or medical needs and their families. Provide support, linkage to services, identification of strengths and needs and enhancement of child and family functioning. Engage child and family in care management services; complete assessments and approve applications for services and entitlements; represent MHA and attends meetings in the community as needed; participate in care reviews, staff development programs and attends scheduled staff meetings; maintain accurate and timely documentation to effectively complete varied assignments within established time frames; consult with team members and other specialists; prepare crisis intervention plan and provide crisis intervention as required; and perform additional related duties as assigned.

Requirements: Staff qualifications for care managers that serve children with an acuity level of “high” as determined by the CANS-NY must have:
   a) A Master’s degree in social work, psychology, rehabilitation, nursing, or closely related field and two (2) years of experience in care management or related work; or
   b) A Bachelors’ degree in social work, psychology, rehabilitation, nursing, or closely related field and four (4) years of experience in care management or related work; or
   c) A License as a Registered Nurse with two years of relevant experience.

Experience working with a diverse population. Valid driver’s license. Some evening or weekend hours may be required. Vaccination against COVID-19 preferred. Bilingual Spanish/Creole a plus.
