<b>Required Courses</b>	<b>Credits</b>	
SPAU 3000	Survey of Communication Disorders	3 Credits
SPAU 3001	Development of Speech Language	3 Credits
SPAU 3011	The Speech Mechanism	3 Credits
SPAU 3012	The Hearing Mechanism	3 Credits
SPAU 3015	Introduction to Speech Science	3 Credits
SPAU 3024	Communication Disorders in Adults	3 Credits
SPAU 3025	Communication Disorders in Children	3 Credits
SPAU 3033	Audiology I	3 Credits
SPAU 3034	Audiology II	3 Credits
SPAU 3112	Phonetics	3 Credits
SPAU 3320	Aural Rehabilitation	3 Credits
SPAU 3940	Clinical Observation	2 Credits

<b>Additional Requirements</b>		<b>Credits</b>
STAT 1021	Introduction to Statistics (Quantitative Skills)	3 Credits
PSYC 1010	Introductory Psychology (Fundamentals)	3 Credits
BIOL 1005C	Human Biology	4 Credits

**And**

One Physical Science course, i.e., CHEM 1010C – Essentials of Chemistry (Science & Tech), Physics, or General Chemistry may also fulfill this requirement. See American Speech-Language-Hearing Association requirements at [www.asha.org](http://www.asha.org) for more details. 4 Credits

Students who intend to treat children ages 3-21 in New York State (among others) will be required to complete 12 elective credits in education to meet NY State teacher certification as a Teacher of Students with Speech and Language Disorders (TSSLD) requirements. It is recommended to meet this requirement before entering graduate school. Please consult the department faculty and Stern College education advisors regarding the effective completion of this requirement.

(over)

---

**Note:**

1. Students should take Psychology 1010 and Biology before their Junior year.
2. The major should be completed during the Sophomore, Junior and Senior years according to the course sequence described below.
3. Consult with the graduate school(s) of your choice regarding specific prerequisites

	<b>Fall</b>	<b>Spring</b>
Sophomore Year		Survey of Communication Disorders [3000]
Junior Year	Development of Language [3001] Phonetics [3112] Hearing Mechanism [3012]	Audiology I [3033] Communication Disorders in Children [3025] Speech Mechanism [3011]
Senior Year	Audiology II [3034] Communication Disorders in Adults [3024] *Clinical Observation [3904]	Speech Science [3015] Aural Rehabilitation [3320] or *Clinical Observation [3904]

<u>Course</u>	<u>Prerequisite</u>
SPAU 3001 . . . . .	SPAU 3000
SPAU 3011 . . . . .	SPAU 3012
SPAU 3015 . . . . .	SPAU 3001, 3012
SPAU 3024 . . . . .	SPAU 3000, 3011
SPAU 3025 . . . . .	SPAU 3000, 3001
SPAU 3033 . . . . .	SPAU 3012
SPAU 3034 . . . . .	SPAU 3033
SPAU 3320 . . . . .	SPAU 3033
*SPAU 3940 . . . . .	SPAU 3025, 3033, 3024 (may be co-requisite)

\* SPAU 3940 may be taken either Fall or Spring. It involves 2.5 hours of fieldwork/week. Students must keep one morning free until 1:00 PM for fieldwork.
