HEALTH AND SAFETY
Because your well-being is our paramount concern, your completed medical forms--authorization, medical history, MMR immunization, meningitis response form, and physician's report--must be on file prior to your arrival on campus. All undergraduate students are required by the university to be covered by health insurance. Please visit our website for more information and updates about medical forms, health insurance and immunizations.

INTERNATIONAL STUDENTS
When preparing to come to the U.S. to study, you should travel with no more than $500 USD. Also, do not bring all of your possessions. The local airports (JFK International, Newark Liberty International, and LaGuardia Airport) are 10 to 20 miles from the undergraduate campuses. It will be difficult to travel with more than three bags and/or suitcases. You will need to be prepared to take a taxi from the airport to one of the campuses. Taxi fares can be anywhere from $40 up to $75 depending upon the airport distance from the campus. Make arrangements to arrive in the U.S. on the first day of orientation, Sunday, August 27, 2017, between 8:00 am and 7:00 pm.
