Brief description of Student's First Year Assignment:

PROPOSED LEARNING GOALS FOR STUDENT (2nd year):

Include skills student needs to develop, along with plans for expanding his or her use of self and self awareness.

PROPOSED ASSIGNMENT FOR SECOND YEAR FIELD PLACEMENT

This proposed assignment should: (1) describe what the student will be doing, and population; (2) represent a change from the first year; (3) reflect the student's second year specialization (practice with individuals and families, group work, or community social work); and (4) be developed by the educational coordinator and/or the proposed field instructor. Please include the student.

(Note that half of the 21 hours per week should be spent on direct practice, primarily in the specialization; the rest includes 1 ½ hrs. of field instruction, 4 hrs. to write process recordings, and time for staff meetings & case conferences. Advanced standing students spending 28 hours per week in field work should be involved in a minimum of 14 hours per week in direct practice.)
