MSW/MHC- MOBILE OUTREACH TEAM

Unique position available for a professional and skilled Mental Health Clinician to work in OHEL's Mobile Outreach Team. The Mobile Outreach Team offers confidential in-home assessment, short term case management and crisis intervention for children, adolescents, adults, and their families struggling with mental illness. The responsibilities include administering mental health assessments, scheduling visits, linkage to ongoing mental health services, collaborating with families, schools, community members, collateral contacts, and medical & mental health professionals in developing treatment/discharge plans. Potential candidates should have experience working with children, adolescents, and their families. Further responsibilities include providing written and oral observations and strength based feedback. MSW, or MHC required. Must be willing to travel via own car within NYC and work evenings when needed. Bilingual a plus.

CLINIC PSYCHOTHERAPIST- FFS

OHEL Children's Home and Family Services is seeking a responsible team player with excellent clinical skills working with children, adults and families as a Clinic Psychotherapist. Candidate must possess strong organizational and documentation skills, experience with EHR, and ability to maintain an active caseload. Candidate will be part of a growth oriented, trauma-informed team providing quality behavioral health treatment utilizing cutting edge, innovative practice models. Excellent, competency based training and supervision is provided in a supportive, growth-oriented environment. Experience with evidence based practice models a plus. At this time, due to COVID-19 the work will be primarily done through a hybrid model of telemental health and face to face office hour. This part time position is available for high energy, growth oriented therapist (LMSW, LCSW, LMHC, LMFT, LCAT) to work at our Brooklyn or Far Rockaway location. Two evenings or one evening and a Sunday per week required.

SOCIAL WORKER - DOMESTIC VIOLENCE

Competitive position available for an energetic, motivated, and sensitive professional to join OHEL's Domestic Violence Program. Candidate will offer trauma-informed services to women experiencing intimate partner/domestic violence or abuse. Candidate will offer trauma-informed services to children within the program as well. Responsibilities include, but are not limited to: providing clinical and case management services in a supportive and collaborative environment; leading weekly group counseling sessions; providing advocacy and linkage to concrete, governmental, and mental health services; assisting clients in obtaining stable, long-term housing; supporting and assisting clients in the process of transitioning and adjusting to an independent life post-shelter. Supervision and CEU in-service training provided. MSW or MHC degree required. Own car required. Strong clinical and administrative skills a must. This full-time position is 35 hours a week and located in Brooklyn. Yiddish, Hebrew, Russian-speaking a plus.
