

Clinical Social Worker

Department: Dual Recovery Services

Location: New York, NY

Our Dual Recovery Service program is a comprehensive recovery-oriented program that helps individuals deal with both substance use and mental health disorders at the same time while addressing all different factors of the individual's recovery. We are seeking a **Clinical Social Worker** to join our team to make a difference in the lives of vulnerable individuals.

The **Clinical Social Worker** will provide treatment for mental, emotional and/or social problems, as well as treatment related to recovery from substance use and related relapse issues. The incumbent, together with input from the interdisciplinary team, will develop a comprehensive recovery plan for reintegrating individuals with their family and the larger community.

QUALIFICATION - EDUCATIONAL AND PROFESSIONAL EXPERIENCE:

Provides clinical social work treatment based on input from the interdisciplinary treatment team while adhering to regulatory standards and best practices. MSW or LMHC required; LMSW preferred. Familiar with standard concepts, practices and procedures in the field. Must be multi-culturally sensitive to the needs of consumers in treatment. Familiar with standard concepts, practices and procedures in the field.

Recent graduates encouraged to apply

LOCATION:

Lower Eastside Service Center
Dual Recovery Services
46 East Broadway,
New York, NY 10002

SCHEDULE: Full-time Monday-Friday, 9am-5pm
