

Title: *Licensed Counselor / Social Worker (Telehealth – Trauma-Focused)*

Job Description:

Sonny Counseling is seeking a **licensed mental health counselor or social worker** to provide **telehealth therapy** to clients who have experienced trauma after an accident — most commonly **car accidents or dog bites**.

Our clients are dealing with symptoms such as anxiety, flashbacks, avoidance, and difficulty returning to daily functioning. We are looking for someone compassionate, grounded, and skilled in trauma-informed care.

Responsibilities:

- Provide weekly telehealth therapy sessions
- Complete brief documentation after each session
- Collaborate with referring attorneys and medical professionals when needed
- Use a warm, supportive, non-judgmental approach

Requirements:

- LCSW-C, LCPC, LMSW, LGPC, or equivalent
- Experience or interest in trauma work
- Strong communication skills
- Reliable internet connection

Schedule: Flexible, remote
