### **Join our team at NYC Affirmative Psychotherapy!**

NYC Affirmative Psychotherapy is a community-focused, sliding scale, group psychotherapy practice with a special commitment to provide affordable mental health services to queer communities of color. As a leading group psychotherapy practice in NYC we are seeking highly motivated folks to join our team who are equally committed to this mission and to the marathon that is social justice work. We are a great place to work with multiple supports as we invest in the people that work at the practice both as professionals and as humans in the world. We do this via 1:1 mentorship, individual and group supervision, and professional opportunities for growth. In addition we offer an astounding benefits package to ensure your continued wellbeing.

#### POSITION

#### ***LGBTQIA and BIPOC Affirming Psychotherapist, LMSW***

Remote, Full-Time, Salaried with Benefits

NYC Affirmative Psychotherapy LCSW PLLC is seeking an LMSW with psychotherapy experience working with adult individuals, couples, and groups to join our growing community focused private practice. We provide a supportive work environment where clinicians can earn their LCSW hours. This is a full-time remote position so you **MUST** have the capacity to conduct teletherapy in a secure and private location on a weekly basis. Schedule is Monday-Friday with some evening hours. Due to our PLLC license we can only hire LMSWs licensed to practice in New York State.

NYC Affirmative Psychotherapy is a queer poc owned private practice. You will receive weekly supervision from and work among queer and q poc staff who are also social justice minded. Participate in our book clubs, retreats, community hours and more to connect with your coworkers and grow as a clinician.

Please submit a resume, cover letter, and two references for this position. Members of the LGBTQ+ community and those who are bilingual are strongly encouraged to apply. Tell us why you would be a fit for this position and your experience/knowledge of our community.

#### **Responsibilities and Duties**

- Provide 45 minute weekly psychotherapy sessions for a full-time caseload of adults
- Provide intake assessments and input weekly notes
- Collaborate with other medical providers for patient support
- Participate in weekly individual and/or group supervision

**Qualifications and Skills**

MSW Degree

LMSW license in NY State

1+ year providing psychotherapy

Experience/knowledge of trauma

Prior experience/knowledge working with the transgender community

Experience/knowledge of couples and group work

**Employee Benefits at NYC Affirmative Psychotherapy*****Paid Time Off and Holidays***

We offer a comprehensive PTO package which includes vacation, sick, and bereavement time

-Minimum 28 days off each year with holidays

***Health Benefits***

-Exceptional NO COST premium medical plan for you with low cost option for dependents

-NO COST dental plan coverage

-Support to connect with mental health providers as we strongly encourage those that do this work also have their own therapy

-NO COST short and long-term disability benefits

-Free Life Insurance coverage

***Financial Benefits & Savings***

-Yearly Continuing Education Stipend as we invest in your continued growth

-Tuition Assistance up to \$10,000 so that you can pursue doctoral education

-Flexible spending account programs

-License application coverage

***Retirement Plan***

-401K plan benefit with employer match available after one year of employment

**SALARY**

\$57,000-60,000 year

**APPLY**
