Kraft hit the 'bar'

ROBERT Kraft made a surprise pledge of \$5 million to Yeshiva University during its pre-Hanukkah dinner. We're told that in his speech, the Patriots head (above) referred to his own bar mitzvah 71 years ago, even chanting some of his Torah portion. Sen. **John Fetterman**, **Daniel Loeb** and **Miriam Adelson** attended the event at Cipriani Wall Street, which honored Israeli President **Isaac Herzog**. Herzog delivered a sharp rebuke to Mayor-elect **Zohran Mamdani**, saying he "makes no effort to conceal his contempt" for Israel.
