Organization of Psychology Students (OPS)
Conference Reimbursement Request Form

You may be reimbursed up to $150 for attending a conference (including training seminars), and up to $300 for presenting or having a poster at a conference, travel for internship interviews or internship application fees. Requests for reimbursements need to be submitted within one year of the conference date to be honored. Each doctoral student can be reimbursed up to five times during their graduate career and each masters level student can be reimbursed up to two times during their graduate career (reflecting one possible reimbursement per year). These can be accumulated over time (i.e. if you do not use a reimbursement in your first year, you still have five left).

**Reimbursement Request Deadlines:**
Fall Semester – December 22nd
Spring Semester – May 15th

Reimbursement Request Forms received after the stated deadlines will not be eligible, and must be submitted the following semester (e.g., reimbursements after May 15th will be reimbursed by the end of the fall semester). *In the event that reimbursement requests exceed available funds, reimbursements will be determined by lottery.* Reimbursements will be mailed to you after the end of each semester.
