

School Level: School level administrators and staff work on administrative components related to sponsored programs, mostly in the areas of onboarding, payroll, and procurement. School level administrators do not oversee the general performance of sponsored awards and contracts, but they are key players in the success of sponsored programs activities. If you have a vendor agreement or consultant agreement, that request should go through your school level administrator or Stella, who will work with procurement to execute.

Yeshiva College: Nicholas Pitsirikos

Stern College: Jane Galland

Ferkauf: TBD

Katz: Zahava Kahan

WSSW: Naterena Parham-Cofield

Cardozo: Josephine Tirado/Jacklyn Tavarez
