SUMMARY: JCCA is seeking qualified Social Workers to join our Residential Treatment Campus, offering a safe and supervised setting for at risk youth, ages 5-21. The Residential Treatment Campus is located in Pleasantville, NY and has (5) distinctive programs which provide intensive support to children with severe emotional and behavioral challenges.

The (5) Residential Treatment Programs are as follows:

**Pleasantville Cottage School** - serves children with long-term emotional and behavioral challenges

**Edenwald Center** – serves children who have low IQs, autism and other developmental disorders

**Pleasantville START** - serves children who need assessment, residential treatment and intensive intervention for a short period of time

**Gateways** - serves girls who have been the victims of commercial sexual exploitation and domestic trafficking

**Center for Healing** - treats children who are the victims of sexual abuse and/or commercial sexual exploitation

The Social Workers are needed to work in partnership with Case Managers and other Campus Team members to provide therapeutic services to children and their families, with the goal of cultivating a safe and permanent outcome for every child. Essential duties are as follows:

- Clinical assessment of child and family service needs; initial and on-going trauma assessment and psychological summaries
- Conducting individual, family and group psychotherapy that is focused and goal oriented as clinically determined, primarily in home and community settings
- Generating individualized treatment and discharge planning
- Conducting crisis counseling as requested
- Documenting all evaluations and treatment in accordance with JCCA protocols and regulatory requirements
- Collaborating and consulting regularly with team members: Case Managers, Milieu Counselors, Medical Providers and School Administration

*Hours are Mon – Fri, 9am to 5pm, with (1) late night per week and (1) weekend per month*
**QUALIFICATIONS**
Successful candidates will have at least a MSW with plans of becoming a LMSW within a year; LMSWs and LCSW’s are preferred. Should demonstrate the ability to focus treatment and planning with children and families towards permanency. Must demonstrate the ability to collaborate with client and teams that are culturally and professionally diverse. Excellent writing and follow-up skills are required. **Please send resume and cover letter to** careers@jccany.org. **Include in Subject Line: Social Worker**

**ABOUT US**
JCCA, formerly known as Jewish Child Care Association, provides comprehensive care to thousands of children, young people and families who come from New York’s diverse communities. Since 1822, we have embraced those who need us most — abused, neglected and traumatized young people who are struggling with poverty, developmental disabilities and complex mental illness. Our programs include foster and residential care, educational assistance and remediation, case management for young people with mental health challenges and services to families to prevent child abuse and maltreatment. JCCA offers safety, stability and lifesaving support to help our clients transform their lives. JCCA programs help more than 16,000 children and families annually.

JCCA offers a highly competitive and comprehensive benefits package for our employees and their families. Our benefits coverage includes medical insurance, dental insurance, a prescription-drug plan, flexible spending accounts, long-term and short-term disability insurance, life insurance, generous paid time-off, tuition reimbursement and retirement savings options.

JCCA complies with applicable state and local laws governing nondiscrimination in employment in every location in which JCCA has facilities. Visit our website and apply on line at www.jccany.org
