

Social Worker role for a Short-Term Sub Acute unit in a Bronx nursing facility focuses on rapid psychosocial assessments, care planning, and coordinating safe, efficient discharges. The competitive (\\$85,000-\\$90,000) salary range reflects the fast-paced nature of the unit and the clinical expertise required.

Job Overview

Position: Short-Term Sub Acute Social Worker

Location: The Bronx, NY

Salary: (\\$85,000 - \\$90,000) per year (commensurate with experience)

Job Type: Full-Time

Position Summary

We are seeking a dedicated and empathetic Social Worker to join our **Short-Term Sub Acute unit**. You will be responsible for providing comprehensive psychosocial support, assisting with complex discharge planning, and ensuring seamless transitions of care as patients move from the hospital to sub-acute rehabilitation, and eventually back into the community.

Key Responsibilities

- **Psychosocial Assessments:** Conduct comprehensive psychosocial evaluations of new admissions to determine needs, personal goals, and potential barriers to recovery.
- **Discharge Planning:** Collaborate with the interdisciplinary team (nursing, physical therapy, occupational therapy, and physicians) to drive a safe and efficient discharge plan starting on day one.
- **Patient & Family Support:** Provide emotional support, crisis intervention, and counseling to help patients and their families navigate the rehabilitation process and adjust to temporary placement.
- **Care Coordination:** Act as a liaison between the patient, family, and external healthcare providers. Connect patients with necessary community resources and post-acute services.
- **Team Collaboration:** Participate in daily/weekly interdisciplinary team meetings to evaluate patient progress and update individualized care plans.
- **Compliance & Documentation:** Maintain accurate, timely clinical documentation, including Minimum Data Set (MDS) completion and care planning, ensuring full compliance with New York State and federal regulations.
- **Advocacy:** Advocate for patient rights and ensure that all psychosocial and emotional needs are met during their short-term stay.
-

Qualifications & Requirements

Experience: Minimum of 2-3 years of social work experience, with a proven track record in a skilled nursing facility, sub-acute rehabilitation, or hospital setting.

- **Skills:** Strong knowledge of Medicare/Medicaid, care planning, and community resources. Excellent communication and crisis-resolution skills.
- **Bilingual (English/Spanish) highly preferred.**

Benefits Package

- Comprehensive Medical, Dental, and Vision Insurance
- Generous Paid Time Off (PTO) and paid holidays
