Spring 2020 Pass/No Credit (P/N) Policy

Bernard Revel Graduate School of Jewish Studies

Effective March 25, 2020

For the Spring 2020 semester, BRGS students can elect to have a P/N grade recorded on their transcript for courses that are not needed to fulfill the requirements of their concentration. They can make this decision after they have seen their final semester letter grades. Students who wish to retain the letter grade (whether a regular grade or an Incomplete) need not take any action.

Faculty must assign work that may reasonably be completed by the end of the semester; in order to avail themselves of this option, students must complete their work by the end of the semester. Faculty will have to submit final grades by June 1, 2020; students will have one week after final grades are posted (June 8, 2020) to complete and submit the Spring 2020 P/N Grade Election form which will be available later in this semester.

Students who decide not to choose this option will have the usual semester-and-a-summer to complete the course. This is also the case with respect to courses needed to fulfill concentration requirements, where the P/N option is not available.

Grades of A /A-/B+/B /B-/C+/C will be recorded as a P (Pass).
Grades of C-/F will be recorded as N (No Credit).
