WELCOME TO ORIENTATION

Putting "U" in YU

Dear New Yeshiva University Student,

Welcome to the start of an exciting chapter in your life! We are delighted for you to join the vibrant and dynamic community of Yeshiva University. As you embark on your journey with us, we invite you to "Discover your Potential" during Orientation.

Over the next few days, you will choose from a wide array of sessions tailored to your interests and aspirations. This personalized approach to put "U" in YU lets you shape your own path and explore the diverse academic, religious, extracurricular, and social opportunities available.

As you navigate the orientation program, you will not only be discovering your potential academically but also forging new connections and rekindling old friendships. Embrace this chance to meet new people who will enrich your life and provide a network of support throughout your time here. This is an opportunity to build lasting friendships and create memories that will accompany you on your journey to success.

Your academic journey at Yeshiva University is a foundation for the life you envision for yourself. As you frame your path during orientation, remember that your time here is not just about acquiring knowledge, but also about developing skills, values, and a sense of purpose. Our faculty, staff, and resources are here to guide and empower you to reach your full potential.

We believe in your potential to make a difference, and we are thrilled to witness the growth, achievements, and successes you will accomplish during your time at Yeshiva University. As you embark on this new chapter, remember to embrace every opportunity, stay curious, and nurture the relationships that will shape your journey.
