

2019 Student Awards

Amanda Parker: Foundation for Rehabilitation Psychology Dissertation Award

Amanda Parker received the Foundation for Rehabilitation Psychology Dissertation Award to support her dissertation research, “Injustice, Quality of Life, and Psychiatric Symptoms in People with Migraine.” This award provides funding for dissertation research in the field of rehabilitation psychology and support to present the results of the research at a future Rehabilitation Psychology Annual Conference.

Maya Marzouk: Frontiers in Headache Research Award

Maya Marzouk received the Frontiers in Headache Research Award for her dissertation research “The Family Burden of Pediatric Migraine.” The award supported her travel to the 2019 Scottsdale Headache Symposium in Scottsdale, Arizona where she presented her research and participated in early career investigator training.

2020 Commencement Awards

Jeffrey Portnoy is the recipient of the Dr. Lee and Linda Rosenbaum Family Award for Excellence in Clinical Health Psychology.

Melanie Lucas is the recipient of the Dr. Morton Berger Memorial Prize for Excellence in Research (one student was selected from each doctoral program).
