Spring 2020 Pass/No Credit (P/N) Policy

Effective April 2, 2020

For the Spring 2020 semester, graduate students in the MS Accounting and MS Taxation programs, can elect to have a letter grade or a P/N grade recorded on their transcript. They can adopt either designation after they have seen their final semester grades.

Faculty will have one week to submit final grades (June 1, 2020); students will have one week after final grades are posted (June 8, 2020) to complete and submit the Spring 2020 P/N Grade Election form which will be available later on in this semester. If you choose a P, for this semester only, it will count towards your requirements for completion of the program.

Required Guidelines for this Spring 2020 policy only:

- Grades of A /A-/B+/B /B-/C+/C will be recorded as a P (Pass).
- Grades of C-/D+/D /D-/F will be recorded as N (No Credit).
- Spring 2020 P/N decisions are final. (Future requests to reverse P/N elections to letter grades will require extenuating circumstances and review by the Academic Standards Committee of each School.)
- Previous P/N restrictions do not apply to the Spring 2020 semester.

Possible implications of electing Pass/No-Pass in Spring 2020:

Employment implications -- Does the course fall within your intended employment area? If so, how might employers look upon a “P” grade? Should you demonstrate mastery of the field with an earned grade?
