

STERN COLLEGE FOR WOMEN, YESHIVA UNIVERSITY

מרחשון תשע"ז November 2016

From the Desk of Rabbi Shlomo Hochberg, Mashgiach Ruchani

Dear Stern College Women, עמור"ש,

“The Manhattan Eruv and Stern College”

The Manhattan Eruv is under the rabbinical supervision of the Mechon L'Hoyroa in Monsey, which is an acceptable and reliable Halachic authority.

Below there is a link to an interactive map of the Eruv, including locations where one should be aware of the Eruv's boundaries. Please view this link, and note specifically that in the vicinity of Stern College, the area around the United Nations is not included in the Eruv. See notes 18 and 19 on the linked map for directions if/when you wish to walk and “carry” north of 38th Street.

(If walking north from Stern College, when one passes the United Nations area, going North, one should walk West of Second Ave. From 38 Street until 49 Street, the Eruv only includes eastward until Second Avenue's west sidewalk. (The entire area around the United Nations is NOT in the Eruv) - Please see notes 18 and 19 on the interactive map which discuss what I noted above.)

Biydidut,

Shlomo Hochberg
