We are Hiring!

Want to work with children, in their homes or in their communities?

JCCA is looking for dynamic and caring people like you in all five boroughs to provide:

- Skill building
- Caregiver supports
- Respite
- Crisis avoidance
- Crisis response
- Prevocational
- Day Hab
- School support

Skills Required
+ Ability to engage children with disabilities
+ Bilingual/Spanish preferred
+ Solid organizational and follow-up skills
+ Ability to work with a variety of people
+ Excellent writing skills
+ Computer proficiency
+ Hiring high-school diploma level to Masters level workers
+ Per-diem, hourly rates from $18-$50 an hour
+ Work evenings and weekends, up to 15 hours a week.
+ Paid training & supervision.

Bridges to Health is an intensive, “wraparound” program that helps special-needs children in foster care stay in the community and out of institutions. You will work closely with children who are Seriously Emotionally Disturbed, Developmentally Disabled, or Medically Fragile. JCCA’s B2H offices are located in South Bronx and Central Brooklyn. Both are easily reached by train or bus.

To become a Waiver Service Provider, please send a resume:
