## Yeshiva University High Schools Retirement Income Plan, #76390 Salary Reduction Agreement Catch-up Contribution

IRS regulations permit eligible employees who will be age 50 or older by the end of the calendar year to make additional catch-up contributions. You are eligible to make catch-up contributions if:

- You will have reached age 50 by the end of the year, **and**
- You have contributed the maximum allowable contributions to the Plan.

You can elect to have your catch-up contribution made on a pre-tax basis as long as the dollar amount does not exceed the annual catch-up contribution limit.

You can elect a standard contribution or a non-standard contribution.

- I elect to make a standard monthly or bi-weekly catch-up contribution.** The standard contribution will be deducted in equal monthly or bi-weekly amounts.

**Standard Pre-tax contribution** \$ \_\_\_\_\_

- I elect to make a non-standard catch-up contribution.** Please specify the amount(s) to be deducted each pay period.

**Non-standard Pre-tax contribution** \$ \_\_\_\_\_

This agreement will be put into effect as of the pay date following the date the agreement is received by the Benefits Office or as soon as administratively feasible thereafter. I understand that I can change this agreement effective each January 1, provided written notice is given to the Benefits Office by December 15 of the preceding year. I further understand that I can change to this agreement during the calendar year which will be effective with the next available pay date.

If the amount of contributions exceeds the limitations of Internal Revenue Code (IRC) Section 414(v)(2)(B) (**annual contribution limit is \$19,500.00, plus an additional catch-up contribution of \$6,500.00 for those that will be age 50 or older during the year 2020**), I agree that contributions may be suspended automatically at such time. If in any calendar year the amount of my salary reduction contribution is suspended as per the previous sentence, then the amount of my salary reduction contribution shall be resumed automatically at its unreduced level at the beginning of the following calendar year.

While this agreement is irrevocable **with respect to compensation that is payable to me while the agreement is in effect**, I understand that either I or the University may terminate this agreement **with respect to any future compensation not yet payable to me**. I further understand that this agreement will automatically terminate on the date I (a) terminate employment, (b) commence an unpaid leave of absence, (c) cease to be in an eligible class, (d) receive a hardship distribution, or (e) give written notice to the University to stop my salary reduction contribution to the plan, whichever event occurs first, and that my contribution to the plan will cease with respect to any compensation payable to me after such date. I understand that in order to make contributions after I have terminated by agreement, I must enter into a new salary reduction agreement.
