**AND THE ALUMNI OF THE RIETS ISRAEL KOLLEL**

This evening, we gather to celebrate the living chain of Torah that defines our Yeshiva. The timeless wisdom of *Torat Emet* joined with *Torat Chaim* is not only studied but lived—forming *talmidim* whose commitment to *avodat Hashem* and responsibility to *Klal Yisrael* shapes communities across the Jewish world. This evening honors those whose lives embody that sacred transmission and whose leadership ensures that the light of Torah continues to shine from generation to generation.

For more than a century, our Yeshiva has stood as a premier institution for Torah scholarship, home to some of the greatest roshei yeshiva and rabbinic minds of our time. The depth of learning in the Yeshiva's batei midrash, the caliber of our educators and the impact of our *talmidim* are unparalleled. This dinner is an occasion to gather as a community, celebrate our students, rabbeim, mesorah and the enduring strength of the Yeshiva.

Tonight, we are privileged to recognize individuals whose lives exemplify that sacred mission. The contributions of each of our honorees to our yeshiva are legendary. For me, personally, each one has been a true source of great strength and inspiration.

We honor Elliot Gibber, recipient of the Eitz Chaim Award, whose extraordinary leadership and devotion have strengthened Yeshiva

University and RIETS for many years. As Vice Chair of the YU Board of Trustees and a trustee of RIETS, Elliot has demonstrated a profound commitment to sustaining Torah learning and ensuring that the Yeshiva continues to flourish for generations to come.

This evening, we also celebrate the Torat Zion Award, recognizing Rabbi Dovid Miller and the alumni of the RIETS Israel Kollel. For more than fifty years, the Kollel has provided *talmidim* the opportunity to immerse themselves in Torah learning in Eretz Yisrael, deepening their spiritual growth and preparing them to serve *Klal Yisrael* with knowledge, dedication and love of Torah.

We are deeply proud to present the Amud HaTorah v'HaMesorah Award to Rabbi Yaakov Neuburger, whose decades of teaching as a rosh yeshiva have shaped countless *talmidim*. Through his depth of learning, clarity of thought and personal guidance, Rabbi Neuburger has inspired generations to pursue lives rooted in Torah, *avodat Hashem* and service to the Jewish community.

On behalf of our roshei yeshiva, faculty and students, we extend our deepest *hakarat hatov* to tonight's honorees and to all who support our Yeshiva and its sacred work. Together, we continue to advance the mission of *L'hagdil Torah u'L'ha'adirah* and ensure that the legacy of Torah leadership continues to flourish for generations to come.

**RABBI DR. ARI BERMAN**  
President and Rosh Yeshiva  
Yeshiva University

# IN HONOR OF OUR DISTINGUISHED HONOREES

## MR. ELLIOT GIBBER

A true friend of the Yeshiva, who is always willing to help, and who cares so deeply about our Rebbeim and each *talmid*.

## RABBI DOVID MILLER

For fifty years, you have devoted yourself to shaping generations of *talmidei chachamim* and Torah leaders who are deeply rooted in *Torat Tzion*.

## RABBI YAAKOV NEUBURGER

You are a faithful bearer of our Yeshiva's traditions and bring empathy, keen insight, wisdom, humility, and kindness to every conversation and interaction.

RABBI ARYEH LEBOWITZ

RABBI YOSEF KALINSKY

It is with profound gratitude and humility that I accept the Eitz Chaim Award from RIETS, an institution that has been a beacon of Torah learning, leadership and values for over 140 years. The values we celebrate tonight—devotion to Torah, strength of character, and dedication to *Klal Yisrael*—are the foundation upon which Yeshiva University continues to build a brighter future for our world.

Mazal tov to my fellow honorees, Rabbi Yaakov Neuburger and Rabbi Dovid Miller, along with the alumni of the RIETS Israel Kollel—it is a privilege to stand alongside you in recognition of our shared commitment to Torah and mesorah.

Thank you to Yeshiva University for this meaningful honor, to the Yeshiva leadership and faculty for your vision and guidance, and to all who support the enduring mission of Torah education. May we continue to strengthen Torah in our generation and those to come.

**ELLIOT GIBBER**

I am very gratified to be listed together with one of the visionary philanthropists of our community, Mr. Elliot Gibber and with those who are immersed in *Toras Eretz Yisrael* under the guidance of one of the unassuming *gedolim* of our community, Harav Dovid Miller *shlita*.

At Yeshiva I studied under great minds and great souls and continue to be trained by them daily and have the privilege of transmitting their teachings to shape the hearts and wisdom of my *talmidim*.

I thank all of you who, through your generosity, help me express my gratitude to RIETS for words alone do not capture the *hakoras hatov* that I owe Yeshiva.

**RABBI YAAKOV NEUBURGER**

עץ חיים היא למחזיקים בה, ותומכיה מאושר (משלי ג, י"ח)

It [the Torah] is a tree of life to those who grasp it, and those who uphold it are happy (Proverbs 3, 18)

Mazal tov to Rabbi Yaakov Neuburger, who exemplifies those who grasp the Torah and teach it. Mazal tov to Mr. Elliot Gibber, who exemplifies those who support and uphold it. I want to express my הכרת הטוב to the Presidents of YU under whom I have served—Rabbi Dr. Belkin זצ"ל, Rabbi Dr. Lamm זצ"ל, President Joel, and Rabbi Dr. Berman, and to the Deans of RIETS—Rabbi Dr. Charlop זצ"ל, Rabbi Reiss, Rabbi Penner, and Rabbis Lebowitz and Kalinsky—with whom I partnered.

In receiving this honor, I represent the real recipients, the 1000 wonderful young Rabbinic students of RIETS who have learned in our beit midrash in Yerushalayim during these last 50 years, breathing in the אוירא דארעא, and sharing the Torah and wisdom it provides with their congregants and students, both in the States and in Israel.

A special הכרת הטוב to my dear father, Rabbi Israel Miller זצ"ל, who inspired me with his dream of connecting the Yeshiva that he loved with the land and State of Israel that he cherished.

Finally, thank you to my dear wife and life partner Miriam, for constantly supporting me and strengthening me with her יראת שמים and sincere עבודת הבורא.

Through his profound knowledge of Torah and the depth and clarity of his *drashas*, Rabbi Neuburger continually inspires us to strengthen our commitment to Torah and tefillah in our daily lives.

Equally remarkable is the way he connects with people. With genuine warmth, humility, and sensitivity, he shows thoughtful care and consideration for every individual who turns to him for guidance.
