Students who have documented disabilities or medical conditions may be eligible for accommodations. Students who are seeking accommodations should review the guidelines listed in the Ferkauf Process Handout, and then complete the form below and return it to the Office of the Dean, attention Dean Michael Gill.

Name: __________________________________________    Date: ___/___/____

Please check the relevant category and then specify the nature of your disability on the line provided:

Learning, AD/HD: __________________________________________________________________
Hearing: ________________________________________________________________________
Speech: ________________________________________________________________________
Visual: ________________________________________________________________________
Mobility: ________________________________________________________________________
Other: ________________________________________________________________________

What specific accommodation(s) are you requesting?
_____________________________________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________

Please attach all relevant documentation. Requests for accommodations will not be reviewed until supporting documentation is submitted.

Please note:

This document will serve as written authorization for ODS to share information with university officials as it deems necessary in order to consider and implement your accommodations.
