To Field Instructors and Educational Coordinators:

The enclosed Learning Contract is requesting information about the student's assignments and the learning goal(s) you hope the assignment will meet. It represents an opportunity for you and your student to work together towards planning the future learning.

The Learning Contract is due in the Field Instruction Office by Monday, November 7th, 2016.

Please refer to the Field Instruction Manual online at www.yu.edu/wurzweiler in the Field Work section. Criteria for Student Performance in Field Work can assist you. The Manual covers many other vital subjects.

We appreciate your commitment to our students and thank you for your assistance.

Sincerely yours,

Ronnie Glassman, DSW, LCSW-R
Director of Field Instruction
