Student Government Association

- Represent Wurzweiler students by promoting the general welfare of the student body by creating various opportunities for students' social and academic growth and promoting social justice in the community
- Serve as a formal means of communication among students
- Provide a voice for the student body by serving as a liaison between students, faculty, and school administration
- Forum to call attention to individual and communal issues or concerns

The fun stuff...
- Have a hand in organizing lunch and learns, service learning projects, semester symposiums, student gatherings such as pizza lunches and Sunday breakfasts
- Attend monthly meetings at the School when possible, participate in monthly online meeting
- Assist Common Day Committee in planning process
- Get to know your fellow students!
