

## **Congratulations to our Spring 2015 Project Green Tree Winners!**

These three trees have been "adopted" by Wurzweiler as part of our "green" initiative, as the official "adopted trees" of The Forest --- designated trees our faculty, staff and students are saving as a result of the continuing "greening" of our School. The winning photographs were selected from those submitted to Project Green Tree by Wurzweiler students who were enrolled during the Spring 2015 Semester.

**Photographer: Adina Kerzner**

**Title: Fall**

**Location: Toronto, Canada**

**Photographer: Lauren Stoler**
