Guidelines for the Joint BA-MA Program in Mathematics

Introduction:
A Joint bachelor's-master's program exists between Stern College for Women (SCW), Yeshiva College for Men (YC), and the Yeshiva University’s Master of Arts Program in Mathematics. A student admitted to this program may begin graduate study while still an undergraduate.

The graduate courses may count toward the 84 credit undergraduate residency requirement, may count toward both undergraduate requirements and the graduate degree, or may just allow the student to get an early start on graduate study.

Eligibility:
Students must have attained senior status and have completed at least 94 credits with a GPA of 3.2 or higher. Of course the individual graduate courses have their own prerequisites, which must be satisfied before enrolling in the course.

Credits:
Students who have not yet completed the BA degree may take a maximum of 12 graduate credits toward the undergraduate degree.

Workload:
The graduate courses count in the 7 course maximum workload per semester for undergraduate women and the 17.5 credit maximum workload per semester for undergraduate men.

Course Approval:
Joint program students wishing to take graduate courses to meet undergraduate requirements must request approval by filing the “Joint Mathematics Programs Approval Request” form with an academic advisor.

Registration:
The undergraduate registrar must register all graduate courses taken within the 12 credit maximum following academic advisor approval.

Grades:
The student must inform the undergraduate registrar when he or she receives his or her grade(s). Grades in graduate courses taken to meet undergraduate requirements will be included in the undergraduate GPA and will be taken into account for awarding honors at graduation and for determining valedictorian. Regardless of whether or not the course fulfills a specific requirement toward the BA degree, courses taken on the BA/MA program must be completed and graded in order to be awarded the BA degree.

Fees:
The tuition of full-time (12 credits) for YC or SCW students covers the cost of the graduate courses. A part-time YC or SCW student will be charged undergraduate per-credit charges for the undergraduate courses and graduate per-credit charges for the graduate courses. For YC or SCW students, courses taken during the summer semester will be charged graduate fee. Courses taken in excess of the 12 credit graduate credit maximum will be charged graduate fee.

How to Apply:
Submit the attached application to the undergraduate Registrar and attach two copies of your transcript. Upon receipt of your application, a representative of the Graduate Faculty of the Department of Mathematical Sciences will contact you for an interview.

Meet with an Academic Advisor for course approval.
Joint BA-MA Program in Mathematics Application

Name: ________________________________   YU ID #: __________________

Mailing Address: __________________________________________________________
(If Dormitory, Building & Room)

Phone: _________________________________________________________________

Email: _________________________________________________________________

Current Class:   ☐ JR   ☐ SR   Major: ________________________________

I am applying to the joint BA/MA program in Mathematics beginning:

☐ Fall 20___  ☐ Spring 20___  ☐ Summer 20___

I have read and agree to the guidelines on the accompanying sheet.

Reason for applying to the Joint Bachelor’s – Master’s Program:

________________________________________________________________________
________________________________________________________________________

Signature of Student: ________________________________ Date: __________________

Registrar:

__________ Number of credits earned as of ___________________________ CUM GPA: ________________

Signature of Registrar: ________________________________ Date: __________________

Undergraduate Dean or Advisor:

Student is ☐ approved   ☐ not approved for acceptance to the program.

Comments: ___________________________________________________________________

Signature of Dean or Advisor: ________________________________ Date: __________________

Chair, Department of Mathematical Sciences:

Student is ☐ approved   ☐ not approved for acceptance to the program.

Comments: ___________________________________________________________________

Signature of Department Chair: ________________________________ Date: __________________

Please note: The Graduate Faculty will notify student and will cc the undergraduate registrar of its decision.
