Yeshiva College of Yeshiva University
Proposed Changes in Majors or Minors

Instructions:
1) Attach the current catalog description, exactly as it appears in the latest college catalog (available at www.yu.edu/registrar).

2) Attach a catalog description for the revised major or minor, including the following:
   a) A three to five sentence description of the major or minor about the benefits of this field of study.
   b) A list of requirements in tabular form (see example below). Please include course titles, course numbers, and numbers of credits. Indicate if there are choices of required courses, the number of electives, and total credit hours. (Note that the description with the table will be included in the new catalogue).

3) Include a rationale for the change which should both explicitly describe the changes and explain why they are necessary or beneficial to students. Optionally, additional explicatory documents may be attached.

4) After the completed request is approved by the head of the department, it should be given to the college dean’s assistant for routing and approvals by the Curriculum Committee and the Dean.
