BUILDING OUR FUTURE

Sunday, March 23, 2014 | 21 Adar II 5774

The Mandarin Oriental Hotel, New York City

The Rabbi Isaac Elchanan Theological Seminary (RIETS) is the leading center for Torah learning and training for the rabbinate in the Western Hemisphere. For more than a century, RIETS has provided an unsurpassed educational experience within the framework of a classical Lithuanian yeshiva. Embodying the notion of serious Torah learning and the mandate to respond to the needs of the community, RIETS serves as a well-spring of Jewish knowledge and a pre-eminent source of rabbinic leadership; now and for the next generation, and beyond. The seminary has trained more than 3,000 rabbis, scholars and teachers, who have gone on to shape our world in wondrous ways.

To ensure its viability and continued commitment to the highest level of Torah scholarship and communal service, RIETS is launching a \$50 million capital campaign, the largest and most ambitious campaign in its history. This campaign will provide the funds that will enable RIETS to continue to prepare its young *musmakhim* to effectively address the challenges of modern society in an increasingly complex world.

For the sake of the worldwide Jewish community, this campaign must succeed. Your generous support is deeply appreciated.
