Joint Undergraduate / Bernard Revel BA-MA Program Guidelines

Introduction:

Joint bachelor's-master's programs exist between Stern College for Women (SCW) and the Bernard Revel Graduate School of Jewish Studies (BRGS) and Yeshiva College (YC) and the Bernard Revel Graduate School of Jewish Studies. A student admitted to this program may begin graduate study while still an undergraduate.

The graduate courses may count toward the 84 credit undergraduate residency requirement, may count toward both undergraduate requirements and the graduate degree, or may just allow the student to get an early start on graduate study.

Eligibility:

Students must have attained senior status and have completed at least 94 credits with a GPA of 3.2 or higher. YC students must complete their General Education Jewish Studies requirements prior to the semester in which they wish to begin their BRGS courses.

Credits:

Students who have not yet completed the BA degree may take a maximum of 12 graduate credits whether or not these credits count back toward the undergraduate degree. For YC students, only 2 courses may count toward the Jewish Studies Major

Workload:

For SCW students, the graduate courses count in the 7 course maximum workload per semester. For YC students, the graduate courses count in the 17.5 credit maximum workload per semester.

Course Approval:

Undergraduate students wishing to take graduate courses to meet undergraduate requirements must obtain approval by filing the "Joint Undergraduate-BRGS Approval Request" form with an academic advisor.

Registration:

The undergraduate registrar must register all graduate courses taken within the 12 credit maximum following academic advisor approval.

Grades:

Grades in graduate courses taken to meet undergraduate requirements will be included in the undergraduate GPA and will be taken into account for awarding honors at graduation and for determining valedictorian. The student must inform the professor at the beginning of the semester that he or she may not receive a grade of Incomplete. Regardless of whether or not the course fulfills a specific requirement toward the BA degree, courses taken on the BA/MA program must be completed and graded in order for the student to be awarded the BA degree.

Fees:

The tuition of full-time (12 credits) undergraduate students covers the cost of the graduate courses. A part-time undergraduate student will be charged undergraduate per-credit charges for the undergraduate courses and graduate per-credit charges for the graduate courses.

How to Apply:

Submit the attached application to the undergraduate Registrar and attach two copies of your transcript. Upon receipt of your application, the graduate school will contact you for an interview.

Meet with an Academic Advisor for course approval.
