

HOW TO FIND A BOOK IN THE MENDEL GOTTESMAN LIBRARY BUILDING

Look up the book (or other item) in the **YULIS Catalog** and note its location, for example:

Location Gottesman	Location Pollack Reference
Call Number LD6371.Y43 M9 2006	Call Number HN28 .E53 1994

There are **2 libraries** in the building:

- In the **Pollack Library** you will find books on all subjects except Jewish Studies. The **Pollack Library occupies floors 2 through 3A.**
- In the Mendel **Gottesman** Library you will find books on all aspects of Jewish Studies. The **Gottesman Library occupies floors 4 through 5A.**
- Books with the location POLLACK and the status ON RESERVE should be requested at the Pollack Library desk. Books with the location GOTTESMAN and the status ON RESERVE should be requested at the Gottesman Library desk. (Books in **ALL** subjects placed *on RESERVE for courses* are generally found at the Pollack Library desk.)

To find your book:

First look at the location. It will tell you in which library and in which section of the library your book is shelved.
